Dear Sir: RE:LONG VALLEY DIST.

I am in receipt of your letter dated October 29, wherein you state there is yet owing you the sum of \$28.25 in payment of services as water commissioner on the Long Valley System for the 1934 season. I note from the records of this office that at the beginning of the season it was agreed by the water users that you were to receive 50¢ per hour for time spent in regulating the water. In order that the files will be complete will you kindly furnish me with a statement of the number of hours spent and the corresponding dates on which you regulated the water.

Yours very truly,
