

November 23, 1934.

Mr. Jack W. Morrison,  
Mt. Carmel, Utah.

Dear Sir:

RE: LONG VALLEY DIST.

There has been received at this office, a Quit-Claim Deed by which I.L. Bowers and wife Maria Bowers transfer to Jack W. Morrison, 0.06 sec. ft. of water in the Virgin River system, which water has been acquired by grantors from Alfred Misnor and Joseph Hirschi et al. I am assuming that the water right so conveyed, represents part of Right No. 26 of the Virgin River Decree of April 21, 1931, which right was decreed to Edward Carroll.

The fact of this transfer has been endorsed on the records of this office. It is noted that the deed has also been made of record in Book W. Page 58 of the Kane County Recorder's office. The deed is returned herewith.

Yours very truly,

T. H. Humpherys.  
STATE ENGINEER.
