

May 5, 1934

Mr. W. S. Carpenter
Glendale, Utah

Dear Sir:

RE: LONG VALLEY DIST.

As requested by your letter of April 30, herewith is a table of discharge of Cippoletti weirs prepared by the State Engineer's Office June 10, 1926 and also a copy of Circular No. 77 of the Utah Agricultural Experiment Station. The water laws of Utah are not a present available in pamphlet form but it is intended that they shall be so printed within a few months.

Yours very truly,

T. H. Humpherys,
STATE ENGINEER.
