RE : LONG VALLEY DIST.

Dear Sir:

I am in receipt this day of a petition asking that you be appointed Water Commissioner on that part of the Virgin river known as Long Valley signed by the presidents of the Glendale Irrigation Company, Orderville Irrigation Company and Mt. Carmel Irrigation Company, the compensation to be \$60.00 for the entire season of 1933.

If you are agreeable for the compensation stated to divide the waters of said Long Valley for the season of 1933, you will please advise me and I will send your Commission. If, however, you are agreeable and desire to begin work, you may do so at once and the Commission referred to will follow in a few days.

Yours very respectfully,

T.H. Humpherys,
