Mr. D.L. Foote,  
Orderville, Utah

RE : LONG VALLEY DIST.

Dear Sir:

Referring to your letter of the 9 inst. you are advised that a Water Commissioner was appointed for Long Valley Creek for the season 1932 and his services ended with the close of the irrigation season of that year.

To this date there has been neither a request nor an appointment of a Water Commissioner for the season of 1933. So far as I know now there will not be a Commissioner appointed for 1933 unless it be at the request for such by a majority of the water users of said creek. Such has not been received to this date.

Yours very truly,

T.H. Humpherys,  
STATE ENGINEER
