

November 15, 1932.

Mr. J. E. Crofts,
Orderville, Utah.

Dear Sir:

RE: LONG VALLEY DIST.

I have your letter of November 11 and would say that it is customary, where payment is made on a per diem basis, to have the water commissioner render his bills giving the dates on which the service was rendered.

There are not sufficient funds on hand to pay the entire amount of your bill and I am sending you check and voucher for \$45.00 on account. Please have the voucher signed and sworn to by a notary and return to the office.

In the meantime I am sending out notices to the water users who are delinquent on their 1932 payment asking them to send in the money promptly.

Yours very truly,

State Engineer.
