

McCormick Sept 28, 1931

The Orderville Irrigation Co and Jurdall as well have failed to put the diversion gates you ordered in, we have been hoping they would do so but it seems they will not. We are ready to put them in now if present to lot to do so and send you the bill and let you collect or inter suit.

Garner Lamb

President of the McCormick
Irrigation Co.

W. M. RAGAN, State Engineer

Office of
STATE ENGINEER

Salt Lake City, Utah..... June 2., 193 1

Mr. Mt. Carmel Irrigation Co.,
% Earl J. Sorensen, Sec'y,
Mt. Carmel, Utah.

Dear Sir:

Under authority conferred by Section 62, Chapter 67, Laws of Utah, 1919, as amended, the distribution of water from..... Long Valley will be under the supervision of the State Engineer, acting through Mr..... Birt Gardner as water commissioner. Said Section provides that:

"The salary and expenses of such commissioner or deputy commissioner or commissioners shall be borne pro rata by the users of water from such river system or water source, upon a schedule to be fixed by the State Engineer, based on the established rights of each water user, and such pro rata share shall be paid by each water user to the State Engineer in advance on or before the 1st day of May of each year, and upon failure so to do, the State Engineer may forbid the use of water by any such delinquent while such default continues, or may bring an action in the court for such unpaid expense and salary, and such court may issue an order to show cause upon any delinquent user or users why a judgment for said sum should not be entered."

Your pro rata share under the above provision for the coming irrigation season as scheduled is \$..... 12.50 This sum must be deposited with the State Engineer on or before..... at once in order that funds may be available for meeting the cost of distribution for the coming season. You will note particularly that the above quoted section gives the State Engineer power to forbid the use of water to anyone who is delinquent while said default continues.

Yours very truly,

GEO. M. BACON, State Engineer
