Mr. Birt Gardner,
Mt. Carmel, Utah.

Dear Sir:

RE: LONG VALLEY DIST.

I am in receipt of request, from the three larger canal companies, for your appointment as water commissioner on Long Valley and am enclosing your formal appointment.

No mention is made in the request of the compensation but I assume that some understanding has been reached between you and the presidents of the canal companies and I would appreciate your letting me know what it is.

Yours very truly,

State Engineer.
