Mr. J. T. Leigh  
Cedar City, Utah

Dear Mr. Leigh:

We have been requested by the Office of the State Engineer to issue a bond on your behalf as Water Commissioner for the Coal Creek Distribution System.

We have issued the necessary bond but same now requires your signautre. The bond is therefore enclosed and we will appreciate your signing same in the space indicated and also completing and signing the enclosed application form returning both to our office as soon as possible so that we can file the bond with the office of the state engineer.

Thanking you in advance for your prompt attention to this matter we are,

Very truly yours,

Harold A. Strong  
Supt. Casualty & Surety Dept.

HAS/sr

Enc.
