XXXXXXXXXXXXX

Don Rogers
121 Mountain View
Monticello, Utah 84535

Dear Don:

The assessment to the Spring Creek water users was to be based upon the water delivered to them during the period May 1 to June 15. Would you please supply the data on water delivered, and to whom, on the Spring Creek system during this period. Until we get this data we cannot assess these users.

Sincerely yours,

Kenward H. McKinney
AREA ENGINEER
