Judge Don V. Tebbs  
Sixth Judicial District Court  
County Courthouse  
Manti, Utah 84642

Dear Sir:

Enclosed is the resignation letter of Mr. William Hathaway, Water Commissioner of the Alvey Wash Distribution System.

A new commissioner will have to be selected at the annual water users' meeting. If you would like, we will begin looking for a replacement.

Yours truly,

Hubert C. Lambert  
State Engineer

Dear Mr. Stoker:

The press of personal matters forces me to resign from the position of Water Commissioner effective immediately. The books as well as this year's records are being returned to you under separate cover.

At this time only Leo Wilson is still using water.

I hope that my two years service have quieted the disputes among the people on the system sufficiently that my successor's work be be only routine.

Sincerely,

William Hathaway
