Dear Sir:

At the meeting you men held here with us on Feb. 10, you asked me to send you a list of the water users that would come under the distribution setup here and I believe it was Mr. Reese who asked for my Social Security No. and the number of my dependents.

Answering Mr. Reese first, My Social Security No. is 529-05-7165 and for tax exemptions I have three, myself, my wife, and my son.

Following is a list of the water rights on the East Fork of the Virgin River that will come in the distribution setup for the water commissioner this year 1960;

- ✓ No. 5-b 11 Acres McDonald, Whitney, Kanab, Utah.
- ✓ No. 7 (a) 9 Acres Major, Fred R. 2802 Liberty Blvd., South Gate, Calif.
- ✓ No. 8 (a) 18 Acres McDonald, G.D. Kanab, Utah.
- ✓ No. 10 (b) 5 Acres Spencer, Howard B., Glendale, Utah.

So Far as I know these twelve individuals and Companies with their 1,221.4 acres are all that come under the setup. I don't remember any other questions that I should answer at this time.
