Dear Mr. Jensen:

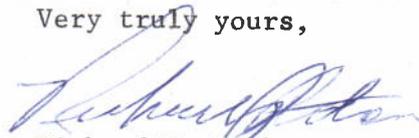

Re: San Pitch River Distribution
System - 1972 Assessment Roll

As per the attached photo-copy of your 1971 report of water diverted for 1972 Assessment purposes, it is noted that Account No. 5 - Mower Ditch Co. has been omitted.

Did Mower Ditch Co. divert any water during 1971? If so, how many acre-feet was diverted? This information is absolutely necessary as soon as possible in order for me to calculate the 1972 Assessments.

Please promptly inform this office as to the number of acre-feet, if any, that was diverted by Mower Ditch Co. during 1971 for 1972 Assessment purposes. Thank you very much.

Very truly yours,

Richard R. Pexxton
Distribution Accountant

DEAR MR PEXXTON

The mower ditch diverted

769.12 Acre Feet in 1971

Sorry for this omission

Dear Mr. Jensen:

Re: 1972 Assessment Roll
Report of Water Diverted
During 1971

Enclosed is a report form which consists of the current names and State Engineer account number of your water users as shown on the records of this office as of this date.

For 1972 Assessment purposes, please fill in the number of acre-feet of water diverted in 1971 to each individual and return the report to this office as soon as possible.

If you have any changes in names or addresses feel free to plainly make them.

Very truly yours,

Richard R. Pexton
Distribution Accountant
