Lower Jordan River (70)*

Dear Sir:

The undersigned is in receipt of a "water" statement account for "Hill Duck Club", showing a balance of \$14.48 due, and marked delinquent.

In the first place, the undersigned are "NOT" the Hill Duck Club--that is a name used by a lessee of some ground we have out west. I apprehend that the water claim 59-3368 is that filed by Earl S. Johnson & Richard S. Johnson, for ground designated as NW $\frac{1}{4}$  of NE $\frac{1}{4}$  & NE $\frac{1}{4}$  of NW $\frac{1}{4}$  Sec 11 Tp 1 N R 2 W, S.L.M.--if so, please apply checks to the account. If not please advise and hold checks.

Notices should be directed to the legal owners of the property (if this notice is one that applies to us), and not to any lessee, or other entity or individual.

Proper name and address is: Earl S. Johnson  
Richard S. Johnson  
P O Box 13  
Salt Lake City, Utah 84110

which is the proper address and heading for notices pertaining to our property.

Secondly, although misdirected notices may have in effect caused a delinquency, it was NOT one of our making, and, it is distasteful to have mail opened and find that one is alleged to be a delinquent through no fault of his or theirs.

Kindly conform your records to the above, if applicable, so that future mailings may have our direct attention.

Thanking you, we remain,

Earl S Johnson &  
Richard S. Johnson
