Dear Mrs. Obray:

Re: Little Bear River Distribution
System (Acc't No s: 11-A, 13-B)

The following information is submitted in reply to the "type-written note" upon the attached delinquent assessment notice.

1. There are two (2) separate water rights listed within the Little Bear River Distribution System in the name of Clifford Obray for which separate assessment notices were mailed from this office April 1, 1965.

2. The two water rights listed are:

A. Account No. 11-A, William A. Obray Ditch with a water right of 1.42 C.F.S. and of which Mr. Clifford Obray is listed under Water Users Claim No. 2032 as having $\frac{1}{4}$ of such right. This account was duly credited as paid by Official Receipt No. 00233, June 4, 1965, amount \$ 5.00.

B. Account No. 13-B, Obray Spring Stream Ditch with a water right of 1.33 C.F.S. and of which Mr. Clifford Obray is listed under Water Users Claim No. 2016 as having $\frac{7}{23}$ rds or 30% of such right. This water right assessment is now delinquent.

It is respectfully requested the amount listed upon the attached delinquent assessment notice be forwarded to this office for official credit to such water rights.

If this office can be of any further assistance to you pertaining to the above feel free to write to us.

Very truly yours,

Frank Reese
Controller
