Mr. Wayne D. Criddle
Utah State Engineer
Capitol Building
Salt Lake City, Utah

Dear Wayne:

I am returning herewith the map which you loaned me in Denver, showing the Henrys Fork and Beaver Creek areas, with the ditch crossing the State line, and covering lands in Wyoming and some in Utah. We have made a copy of it for our use and I wish to thank you for letting me borrow it.

I will check further with Bud Huseman and see if this is the situation which seems to be troubling him.

Will let you know later relative to the Water Commissioner matter when our fund situation is a little clearer.

Very truly yours,

Earl Lloyd
