To all water users:

The State Engineers' of Wyoming and Utah are calling a meeting with the Birch Creek and Burnt Fork Water Users, Thursday, March 5, 1959 at 3:00 P. M. in the Manila Court-house.

It is proposed to resolve the following items of business at this meeting: (1) to select a suitable and competent water commissioner, (2) to adopt a budget to cover 1959 distribution costs, and (3) to determine the proper assessment to be made against each water user.

It is suggested that all Birch Creek and Burnt Fork users attend so that their interest will be properly represented.
