Dear Frank:

RE: Account No. 12 (M) Clair Gillins
W.U. Claims 95, 96

Since I sent the large pumpage record sheets for 1959, we have received a clarification of the rights in account No. 12, W.U. Claims 95, 96. The records I sent you shows a decreed right of 43.67 acres, 1959_x pumpage allowance-144 ac. ft., 1959 pumpage-191 ac. ft., 1959 excess-47 ac. ft.

This record should be changed to show a decreed right for 38.2 acres. The rest of the record should remain the same, since this information was effective for 1959 and will only be changed as of February 24, 1960.

Please alter your records accordingly,

Sincerely,

Clifton W. Johnson
