Dear Sir:

RE: ~~SEVIER~~ DISTRIBUTION:

I am in receipt of your letter of May 12th asking about the appointment of someone to divide the waters between your company and certain other companies in Sanpete.

I am leaving tomorrow morning for Fillmore where I shall see Commissioner McBride, of the Sevier River System, and will take the matter up with him at once to see what action may be taken promptly in regard to your situation.

Yours very truly,

GMB/BD
