P. O. Box 180  
Berkeley, California

Dear Sir:

REL: INDIAN WATER RIGHTS

I have been studying the question of the jurisdiction of the State Engineer over water, arising upon and flowing across Indian reservations.

Mr. Humpherys tells me that you have gathered some information on this question and also that you know of a case pending in a Federal District Court, involving this subject.

I would appreciate it very much if you will send me the title of this case and the name of the court in which it is pending. I would also like any other information which you might have on the subject.

Yours very truly,

T. H. Humpherys  
STATE ENGINEER
