Mr. Chester H. Hartman,  
Mt. Emmons, Utah.

Dear Sir:

RE: WINTAH DIST.

I have your letter of June 20, with reference to change of water right.

The only way that right covered by the Dry Gulch Irrigation filing can be cancelled is on request of the Dry Gulch Irrigation Company and their signing a form of relinquishment which has been provided to cover just this situation. It will, therefore, be necessary, in addition to having the Indian Service make application for change of place of use, to also have at the same time the above mentioned relinquishment.

Yours very truly,

State Engineer.
