Mr. C. J. Preece,
Florence, Arizona.

Dear Mr. Preece:

RE: Uintah Dist.

I have your letter of February 23 making application for the position of water commissioner for distribution of waters in the Uintah Basin.

At the present moment I am making no move in the matter but assume that the water users will, before long, request that this office assume active jurisdiction. I shall be pleased to place your letter on file and bear it in mind when the situation develops.

Yours very truly,

State Engineer.
