

April 27, 1938

Mr. P. H. Sorensen
1523 Grant Avenue
Ogden, Utah

North Brigham

Dear Sir:

REL: ~~WEBER RIVER~~ DISTR.

I am in receipt of a petition signed by a number of the water users from a ditch diverting water from a drain near the underpass north of Brigham City, petitioning me to take exclusive charge of such ditch for the purpose of dividing the waters therefrom in accordance with rights established.

Will you kindly advise me by return mail if you are in a position to act as my agent if and when the distribution of the waters of the ditch are taken over by this office, as provided in Sec. 100-5-9, Revised Statutes of Utah, 1933.

You are to be paid for your services by the interested water users in proportion to the established right of each on a schedule of prorata costs to be collected from the water users by this office.

Yours very truly,

T. H. Humpherys
