STATE ENGINEER

Mr. Henry Hamming,
Naf, Idaho.

RE: GROUSE CREEK DIST.

Dear Sir:

This will acknowledge receipt of your letter of July 11th relating to the Grouse Creek Security Pipeline Company matter. I want to thank you kindly for the prompt and efficient manner in which you handled this affair. I shall wait to hear from Mr. George Benthorn before taking further action in this matter. It may be that it will be necessary for me to ask you to make another trip. If such becomes necessary, I hope you will be able to find time to do it.

Acknowledgment is made of receipt of time and expense of the trip. It is noted you render statement as to mileage, also bed and board, but you have not inserted the rate of pay which please do and I will send you a check by return mail. It would appear that an ultra sense of modesty has caused you to not submit the rate of pay. Please do this since it is an accommodation to me and I want you to make a rate that is entirely satisfactory and that will also cover the underpaid rate of mileage for car.

Yours very truly,

T. H. Humpherys,
STATE ENGINEER.
