

Naf, Idaho, July 8, 1935.

T.H. Humpheryrs, State Engineer
Salt Lake City, Utah.

Dear Sir:-

I have your letter of the 5th inst. regarding a complaint of Mrs. Clara E. Frost of Grouse Creek, claiming that she is unable to get her pro rata share of the water from the Grouse Creek Security Pipeline Co.

Yes I can arrange things on clear creek so that I can take a run to grouse creek and investigate the difficulties there and will try to get an amicable settlement of the trouble with the aid of the officers of the Company so that Mrs. Clara E. Frost may get her pro rata share of the water at least for culinary purposes and will report to you what has been done or will be done ~~at~~ ^{once} to overcome the trouble.

I will also ^{get} the names of the officers of the Company so you may correspond with them direct in the future.

I will arrange to go not later than the 10th. of this month.

Very Truly Yours

Henry Hamming

Henry Hamming.
