Dear Sir:

The State Engineer of Utah has scheduled a hearing concerning the petition and allegations filed in this office by stockholders and water users of the Boulder Irrigation Company. It is imperative that all persons who are a party to this matter be in attendance at this meeting which will be held in the school at Boulder, Utah at 1:00 P.M. on August 22, 1972.

All interested persons are encouraged to prepare and present at this meeting their comments and allegations with supporting evidence. Your prompt attendance and cooperation will be appreciated.

Yours truly,

Gerald W. Stoker  
Area Engineer
