Mr. W. L. Woolf,

Roosevelt, Utah.

RE: DISTRICT ENGINEERS:

Dear Sir:

In reply to yours of July 20th, I will say that it was my understanding that every user on Little Water Creek had objected to every other one and I therefore anticipated that you would be able to secure any information you desired when you visited the stream.

With reference to Mr. Myrup, I will say that I took up the matter with his attorneys and with Mr. Snow and they have an appointment to call at this office this morning.

Very truly yours,

LLOYD GARRISON
State Engineer
