

Spring Glen, Utah
February 3, 1982

Mr. Lyle Bryner, Chairman,
Price River Distribution System,
Price, Utah.

Dear Mr. Bryner:

Enclosed is our bid for your approval and recommendation to the State Engineer for our appointment as Water Commissioners for the year of 1982.

We will expect a salary of \$4500.00 plus a two weeks vacation pay.

The gasoline allowance may stay as it is. 42¢ per mile or \$6900.00 unless the price of gasoline exceeds 1.10 per gallon. In that case we would expect 1¢ increase in the price of traveling per mile for each 2½¢ increase in the gas price.

The annual report may remain as is \$300.00.

Thanking you for your consideration.
