Re: Decreed Water Rights and Associated Flows Metering.

Dear Mr. Page

The North Carbon Salinity Improvement Project Group, which includes the Spring Glen Canal Company, The Stowell Canal Company, The Bryner Hansen Canal Company, and the Oberto Ditch Group make the following requests discussed with you at our last meeting.

1. The total water usage for the Project Group will be read at one meter. The meter to be located in Helper UT. at 10<sup>th</sup> north and Martin Road.

2. The State Engineer annual assessment for these water users for each year should be sent to the Sponsoring Canal Company the Spring Glen Canal Company c/o Frank Saccomanno 1522 West Kenilworth Road. Helper, Utah 84526.

Please notify the four Canal Companies if this is acceptable.

Thank You

Frank Saccomanno  
President Spring Glen Canal Company

Tom Bruno  
President Stowell Canal Company

Walter Borla  
President Bryner Hansen Canal Company

Bob Olsen  
Oberto Ditch Group
