State Engineer's Office  
Mr. Wayne D. Criddle, State Engineer  
State Capitol Bldg.  
Salt Lake City, Utah

Dear Sir:

Attention Mr. R. K. Higginson  
Appropriation Engineer

The Price Canal and Wellington Canal Systems is desirous of perfecting Diligence Claims on Price River and to determine priority rights of this water.

On October 17, 1960, we received a letter from State Engineer's Office stating that these claims to be in proper form and no further action regarding them is needed by this office at this time.

Diligence Claims on file as follows:

Pioneer Ditch Company # 1	439
Pioneer Ditch Company # 2	440
Price Water Company	441
Allred Ditch Company	442
Wellington Canal Company	438

*WINTER STOCK  
WATER CLAIMS*

Your attention to the present status of these claims will be appreciated, stating what further steps are necessary to determine Priority for the delivery of this water.

The Price River Commissioner has requested this information for the delivery of Water to these two Major Canal Systems on Price River.

Your prompt reply will be appreciated, Thanking you,

Very truly yours,

Price-Wellington Control Board.
