SHEET NO. 3.

APPLICATION NO. 2512.

ENGINEER'S CERTIFICATE.

I, Geo. F. Taylor, a civil engineer being first duly sworn, do hereby certify that this map, profile and drawings, consisting of 3 sheets, numbered from 1 to 3 inclusive, have been correctly drawn to the designated scales from the field notes of a survey made by me between May 3rd and 6th, 1916; that they fully and correctly represent the location and extent of the works used to divert water from Boulder Creek in Summit County Utah by the Washington Irrigation Company for irrigation purposes. That the area boundary and subdivisions of the land to be irrigated, the ground and grade lines of the diverting channel the details of all headgates and devices used to regulate and measure said water, are all fully and correctly designated hereon. [illegible]

Subscribed and sworn to before me this 17th day of June 1916.

[illegible] Notary public.
