

Provo Reservoir Company *
vs. * 2888 Civil.
Provo City et.al. *

LETTER OF TRANSMITTAL.

Provo, Utah, Nov. 1, 1916.

Honorable C.W. Morse

Presiding Judge Fourth District Court Of The State Of Utah.

Sir:- As provided in the Court's order, I submit herewith a report of the work of this office during the season of 1916.

Very Respectfully,

Commissioner.

INTRODUCTORY:

Closing the 1916 season of distributing Provo River, the Commissioner feels satisfied with the behavior of this stream and its responsiveness to development.

The volume of discharge was "A Normal Year", and as desired, the three months of flood waters show greater storage, and the three months of low water reveal the greater conservation.

If the writer has contributed some knowledge of this great natural resource all efforts have not been in vain.
