

Mr. E. T. Palfreyman,

Clerk of 4th District Court.

Dear Sir:

I have been appointed administrator of the estate of John Huber, and in your letter you say we are delinquent \$5.00 in our assesment in the case of the Provo Reservoir Co. vs. Provo City.

I never knew that we had any law suit with this com pany as all the water in Snake Creek where we have our water in had al been appropriated long beforethe Provo Reservoir Co., had ever been thought of . Therefor I cannot see why we should be made to pay this assesment, as I do not know what it is for but in order to keep out of trouble I pay the same but under protest until I know what it is for.

Respectfully,

John M. Huber.
