

Minutes of The
East Fork of the Virgin River Distribution System
2012 Annual Water Users Meeting
February 22, 2012

John Reese called the meeting to order at 10:00 AM

Minutes of the February 16, 2011 meeting were read and approved.

The Water Commissioners' report was handed out and discussed.

2011 was a good water year.

Jeff Medlin and Mike Silva had inspected the system and made some adjustments to weirs.

The water stayed above 100 % all year.

The Commissioners report was approved.

Division of Water Rights Reort:

They showed a graph of precipitation 95% of average and snow pack 70% of average.

The weir at Mark Johnson's property needs work. Mike Silva and Jeff Medlin will work with Mark Johnson on it.

Jeff and Mike recalibrated some of the weirs. Some of the weirs were off up to about 10%.

The financial report was handed out and discussed and approved. 2011 expenditures were \$650.90 under budget.

The 2012 budget was made.

The user assessment for 2012 was set at \$7,000.00.

The distribution system committee was appointed

Dellas Sorensen

- ~ John Reese
- ~ Merlin Esplin
