Bracken Farms, Inc.
P.O. Box 387
Enterprise, UT 84725

Dear Mr. Bracken:

At the present time you have approved Temporary Change Application T87-71-11. It allows you to divert 2119.00 acre feet of water for the irrigation of 529.75 acres.

This letter will serve as official notice that all water diverted from the canal must be measured accurately by a system approved by this office. The measuring device shall be available for the commissioner at all times. Your system must be completely installed by May 20, 1987. If it is not, I will have no choice but to direct the commissioner not to deliver the water.

If you have questions please contact the area engineer, Gerald Stoker, in Cedar City at 586-4231.

Sincerely,

A handwritten signature in cursive script that reads "Robert L. Morgan".
