Re: Temporary Change Applications
79-58, 79-59, 79-60

Dear Mr. Staker:

To date counsel for protestants Moore and Graham in the subject Temporary Change Applications has not transmitted the technical information concerning their protest that they indicated they would have ready and in your office and ours within ten days from the hearing. Over two weeks have passed and in light of the fact that this information is not forthcoming, we would respectfully submit that the State Engineer make its decision based on the information which it presently has in its file concerning these applications.

If you wish further information from us, please contact me at your convenience.

Very truly yours,

THOMAS W. FORSGREN
