Re: Deep Creek Dist. Sys. 13-
Arven Wilkerson

Dear Charman:

I am writing this letter in response to our telephone conversation today, during which you reported Arven Wilkerson has not made the repairs to his diversion as requested in our July 18, 1988 letter to him.

In that letter we told Mr. Wilkerson you would inspect his headgate for compliance with the order and close it if repairs had not been made within the 30 day period. Therefore, you're hereby directed to close Mr. Wilkerson's gate and tag it with the enclosed tag. Please sign and date the tag on the day the diversion is closed.

If you have any concerns or questions, please contact me.

Sincerely,

Lee H. Sim, P. E.
Directing Engineer for
Adjudication/Distribution
