Dear Sir:

RE: BURNT FORK

I am sorry that the Water Users did not recommend you as Commissioner for 1981, as I personally feel that you have done an excellent job.

I wish to thank you for your years of service, and the good working relationship we have had.

Will you please turn over to Gail Lamb your priority schedules, and other data that you have used in distributing all the streams, and give to him what help you can to get him started?

Sincerely,

DONALD C. NORSETH
Directing Engineer
