Dear Mark:

We, the Board of Directors of Huntington Cleveland Irrigation Company, would like to apologize to the State Engineer and you for not letting you know of Mr. Mar Grange's resignation. Mr. Grange decided to return to teaching school for the next five years, by doing this it will help his retirement. The Board hated to see Mr. Grange leave the Company and River Commissioner job. He has filled this position well.

We, the Board of Directors of Huntington Cleveland Irrigation Company, would like to request that the State Engineer follow our recommendation to have Mr. Grange released from the position as Water Commissioner.

Sincerely,

S. Hal Guymon
President
