Mr. R. W. Jensen  
Box 58  
Mayfield, Utah

Dear Mr Jensen:

Reference is made to your letter of May 3, 1961, to Governor George D. Clyde; and his letter of May 8, 1961, in which he referred this problem to our office.

A search of our files shows that there is no record of right from 12-Mile Creek for R. W. Jensen, and before proceeding further, we need additional information. Will you forward to us your father's full name; a description of the land on which this water was used; and the approximate location of the diversion point.

On receipt of this information, we will investigate further to see if we can alleviate your present difficulties.

I trust this will prove satisfactory.

Very truly yours,

Donald C. Norseth,  
Distribution Engineer
