Subject: Argyle Creek - Water Rights

Dear Mr. Page:

To confirm our telephone conversation today at 10:43 a.m., July 5, 1989, in response to your letter to Mrs. Jack Wimmer dated June 27, 1989 (copy attached).

Please correct your files so that any further correspondence regarding water rights on this property be sent to:

H. Lee Wimmer, Representative,
Wimmer Development Corporation
980 North 1050 East
Pleasant Grove, Utah 84062

Since January 13, 1979, Lucille W. Wimmer (Mrs. Jack Wimmer) has not owned any part of, nor is she involved in the managerial aspects of Wimmer Development Corporation. For your files and information, enclosed is a copy of the Corporation's officers and directors.

By this letter, I am notifying our Lessee, John & Carol Oliver, of the limited irrigation water supply available on Argyle Creek this summer; and am advising them to cooperate fully with the Division of Water Rights. We realize that the limited water supply must be managed in accordance with existing water rights.

Very truly yours
WIMMER DEVELOPMENT CORPORATION

H. Lee Wimmer
Representative
