Dear Mr. Cook:

RE: ASHLEY CREEK 1962 -  
COURT COSTS OF DISTRIBUTION

Thank you very much for forwarding a certain amount of funds pertaining to the Vernal Distribution System (Ashley Creek) which is acknowledged by the attached receipts.

For your information credit has also been given to the Mosby Irrigation Company (\$105.00) and the Island Ditch Company (\$170.94) showing a total credit of \$1,159.41 which leaves a balance of \$3,040.59 still delinquent against the May 15, 1962 Court Order, Civil No. 3197.

Mr. Donald C. Norseth, Distribution Engineer, and I expect to be in Vernal later this month at which time it is hoped that these problems may be discussed in more detail.

Yours very truly,

Frank Reese  
BUSINESS MANAGER
