RE: SPRING CANYON DIST. CARBON COUNTY:

Dear Sir:

Reference is made to your letter to this office of March 10 and my reply to you of March 13 relative to agreement of the distribution of the waters of Spring Canyon for the year 1928 between Demarco and Eleganti.

In view of the fact that I have not heard from you since my last letter I am wondering just what progress, if any, has been made looking forward to an agreement between the above named parties for the distribution of the waters. It is no doubt getting about that time of the year when some action will be necessary and I would appreciate very much if you would notify me of any additional information you have gathered relative to the same. As we have had no adverse reports from these people I am hoping that the thing has been settled satisfactorily.

Yours very truly,

State Engineer.
