Mr. S. A. King,
Judge Bldg.,
City.

Dear Mr. King:

RE: PRICE RIVER DIST.

I was sorry not to be able to get in touch with you Saturday but the greater part of Saturday and Sunday was devoted to conference matters with the Arizona-Colorado Commission which has been in town the last three days.

I am hoping that the memo which I sent you has put things in such position that there should be no more interference down in Spring Canyon Wash. I have received from Mrs. DeMarco \$25.00 covering her half of Mr. Jerman's compensation and I would appreciate a check from you or your clients covering their \$25.00.

Yours very truly,

State Engineer.
