In re: DeMarco v. Elegante.

State Engineer,
State Capitol,
Salt Lake City.

Dear Sir:

Mrs. Elegante telephoned us yesterday from Helper stating that Mr. DeMarco had taken the water from Crystal Springs. As we understand the situation, Mr. Wyman was to advise Mr. DeMarco that he was not to interfere with the water of Crystal Springs, and he was also to advise the Elegantes that they were not to interfere with the other waters in Spring Canyon.

We would appreciate it very much if you would advise Mr. Wyman of the present situation, so that it will avoid any trouble between these parties.

Respectfully yours,

KING AND KING,
