Dear Sir:

RE: BOWL CREEK DIST.

Thank you for your letter of March 28 with reference to the appointment of Mr. Johnson of Hanksville as water commissioner on Bowl Creek.

In view of the difficulty in agreeing on a water commissioner I have decided to hold the whole matter up until I am more definitely advised in the premises.

The last paragraph of your letter seems to indicate that Mr. Weber has an appointment as water commissioner but as far as the records of this office indicate he had no appointment at present.

Yours very truly,

State Engineer.
