Mrs. A. J. Denny,  
Moab, Utah.

Dear Madam:

RE: BOWL CREEK DIST.

I have your letter of March 3 giving the additional information with reference to water commissioner on Bowl Creek which I asked for in my letter of Feb. 10.

As required by law I will take this matter up at once with Mr. Pace, the other water user on Bowl Creek, for the purpose of getting his recommendation, if any.

Yours very truly,

State Engineer.
