Mr. Clair M. Senior,
Judge Bldg., City.

Dear Sir;

RE: BOWL CREEK DIST.

I am in receipt of a petition from the Hall interests on Bowl Creek asking the appointment of Mr. S. E. Johnson of Hanksville as water commissioner for the coming season and suggesting a budget of \$100 for this purpose. I would appreciate your taking this question up with Mr. Pace at the earliest possible moment and learning what objection, if any, he may have to this appointment.

Yours very truly,

State Engineer.
