Mr. Columbus R. Hall,  
Hanksville, Utah.

Dear Sir:

RE: BOWL CREEK DIST.

Replying to your letter of May 20 I would say that I have heard from Mr. Ostberg and hope to take action within the next few days.

The law is very definite that before appointing a water commissioner I must consult the water users so you see that I cannot very well appoint Mr. Ostberg until I have at least had an answer from Mr. Pace. It will do no good to make this appointment unless the desired results are to be accomplished and these results are hardly possible if Mr. Pace is ignored in the matter.

Yours very truly,

State Engineer.
