Mr. A. E. Backman, Engineer Appraiser  
The Federal Land Bank of Berkeley  
Berkeley, California

Dear Sir:

RE: COAL CREEK DECREE -  
IRON COUNTY

Reference is made to your letter of March 12 inquiring if I can furnish you a copy of the amendments made April 6, 1936 of the decree adjudicating the water rights of Coal creek, Iron county.

In checking the records, I find the only reference I have to this amendment is a copy which is unsigned and uncertified. Therefore, I hesitate to send you a copy of same and suggest that you write to the Clerk of the Fifth Judicial District court, Parowan, Iron county, Utah, who would undoubtedly furnish you with the desired copy from the original files.

Yours very truly,

T. H. Humpherys  
STATE ENGINEER.
